Andrew Strom
N467 297th Street
Eau Galle, WI 54737

Dear Andrew,

I am writing to request further clarification regarding the management and removal of trees on ANY parcel within Majestic Woods South. Specifically, I would like to request the following:

Confirmation of the HOA's tree management policies and procedures for parcels undergoing new construction.

Information on the process for identifying and assessing potential hazards posed by trees on the property, including their location, size, and condition.

Clarification on the HOA's role in facilitating tree removal or pruning, including any requirements or expectations for the homeowner to initiate or participate in this process.

Guidance on any specific regulations or guidelines governing tree removal, including any necessary permits or approvals required from the HOA or local authorities.

A timeline for completing any necessary assessments or removals prior to the start of construction, to ensure a smooth and uninterrupted building process.

I would appreciate it if you could provide a detailed response to these questions, including any relevant documentation or references to the HOA's governing documents or bylaws. This will enable me to plan and prepare accordingly for the construction of my new home.

Thank you for your attention to this matter. Please respond no later than December 9, 2024.

Please direct response to PO. Box 42, Eau Galle, WI 54737.

Sincerely,

Scott Ellis
