Andrew Strom
N467 297th Street
Eau Galle, WI 54737

Dear Andrew,

I am writing to request information regarding the policy of our Homeowners Association on involving local law enforcement in association matters.

As a concerned member of the community, I believe it is essential to understand the procedures and guidelines in place for handling issues that may require the involvement of local law enforcement with the Dunn County Sheriffs Office.

Could you please provide me with the following information:

A copy of the HOA's policy on involving local law enforcement in association matters.

The specific circumstances under which the HOA involves local law enforcement

The procedures for reporting incidents or issues to the HOA that may require law enforcement involvement.

Any guidelines or protocols for communicating with local law enforcement regarding association matters.

Any training or education provided to HOA board members or staff on interacting with local law enforcement.

Any additional information that you believe would be helpful for me to understand the HOA's policy on involving local law enforcement.

Please provide the requested documentation no later than December 9, 2024.

Please direct response to PO. Box 42, Eau Galle, WI 54737.

Sincerely,

Scott Ellis
