Dear Andrew,

I am writing to request an audit of the election process that led to your appointment as the President of our Homeowners Association. As a concerned member of the community, I believe it is essential to ensure that the election process was conducted fairly and in accordance with our governing documents.

I would like to request that the HOA Board conduct a thorough audit of the election process, including the nomination and voting procedures, to verify that all necessary steps were taken and that the outcome was accurate. **This audit should include a review of all relevant documents, including meeting minutes, nomination forms, and vote tallies.**

The purpose of this audit is to provide transparency and accountability to the community and to ensure that our HOA is being governed in a fair and democratic manner. I believe that this audit will help to build trust and confidence in our HOA leadership and ensure that our community is being represented effectively.

I would appreciate it if you could provide me with a timeline for when this audit will be conducted and completed no later than December 9, 2024.

I would also like to request that the results of the audit be made available to all members of the community.

Please direct response to PO. Box 42, Eau Galle, WI 54737.

Sincerely,

Scott Ellis
